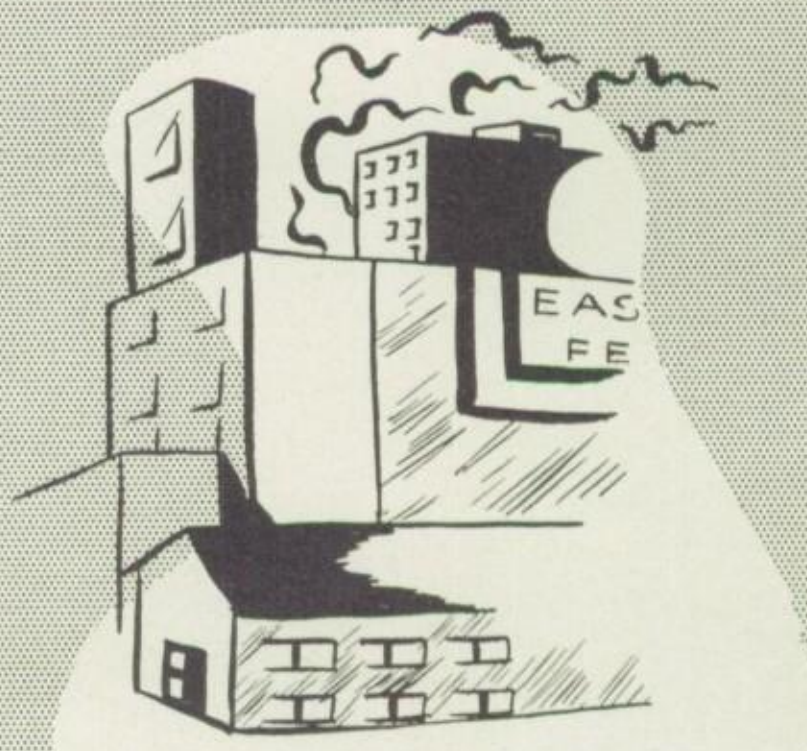
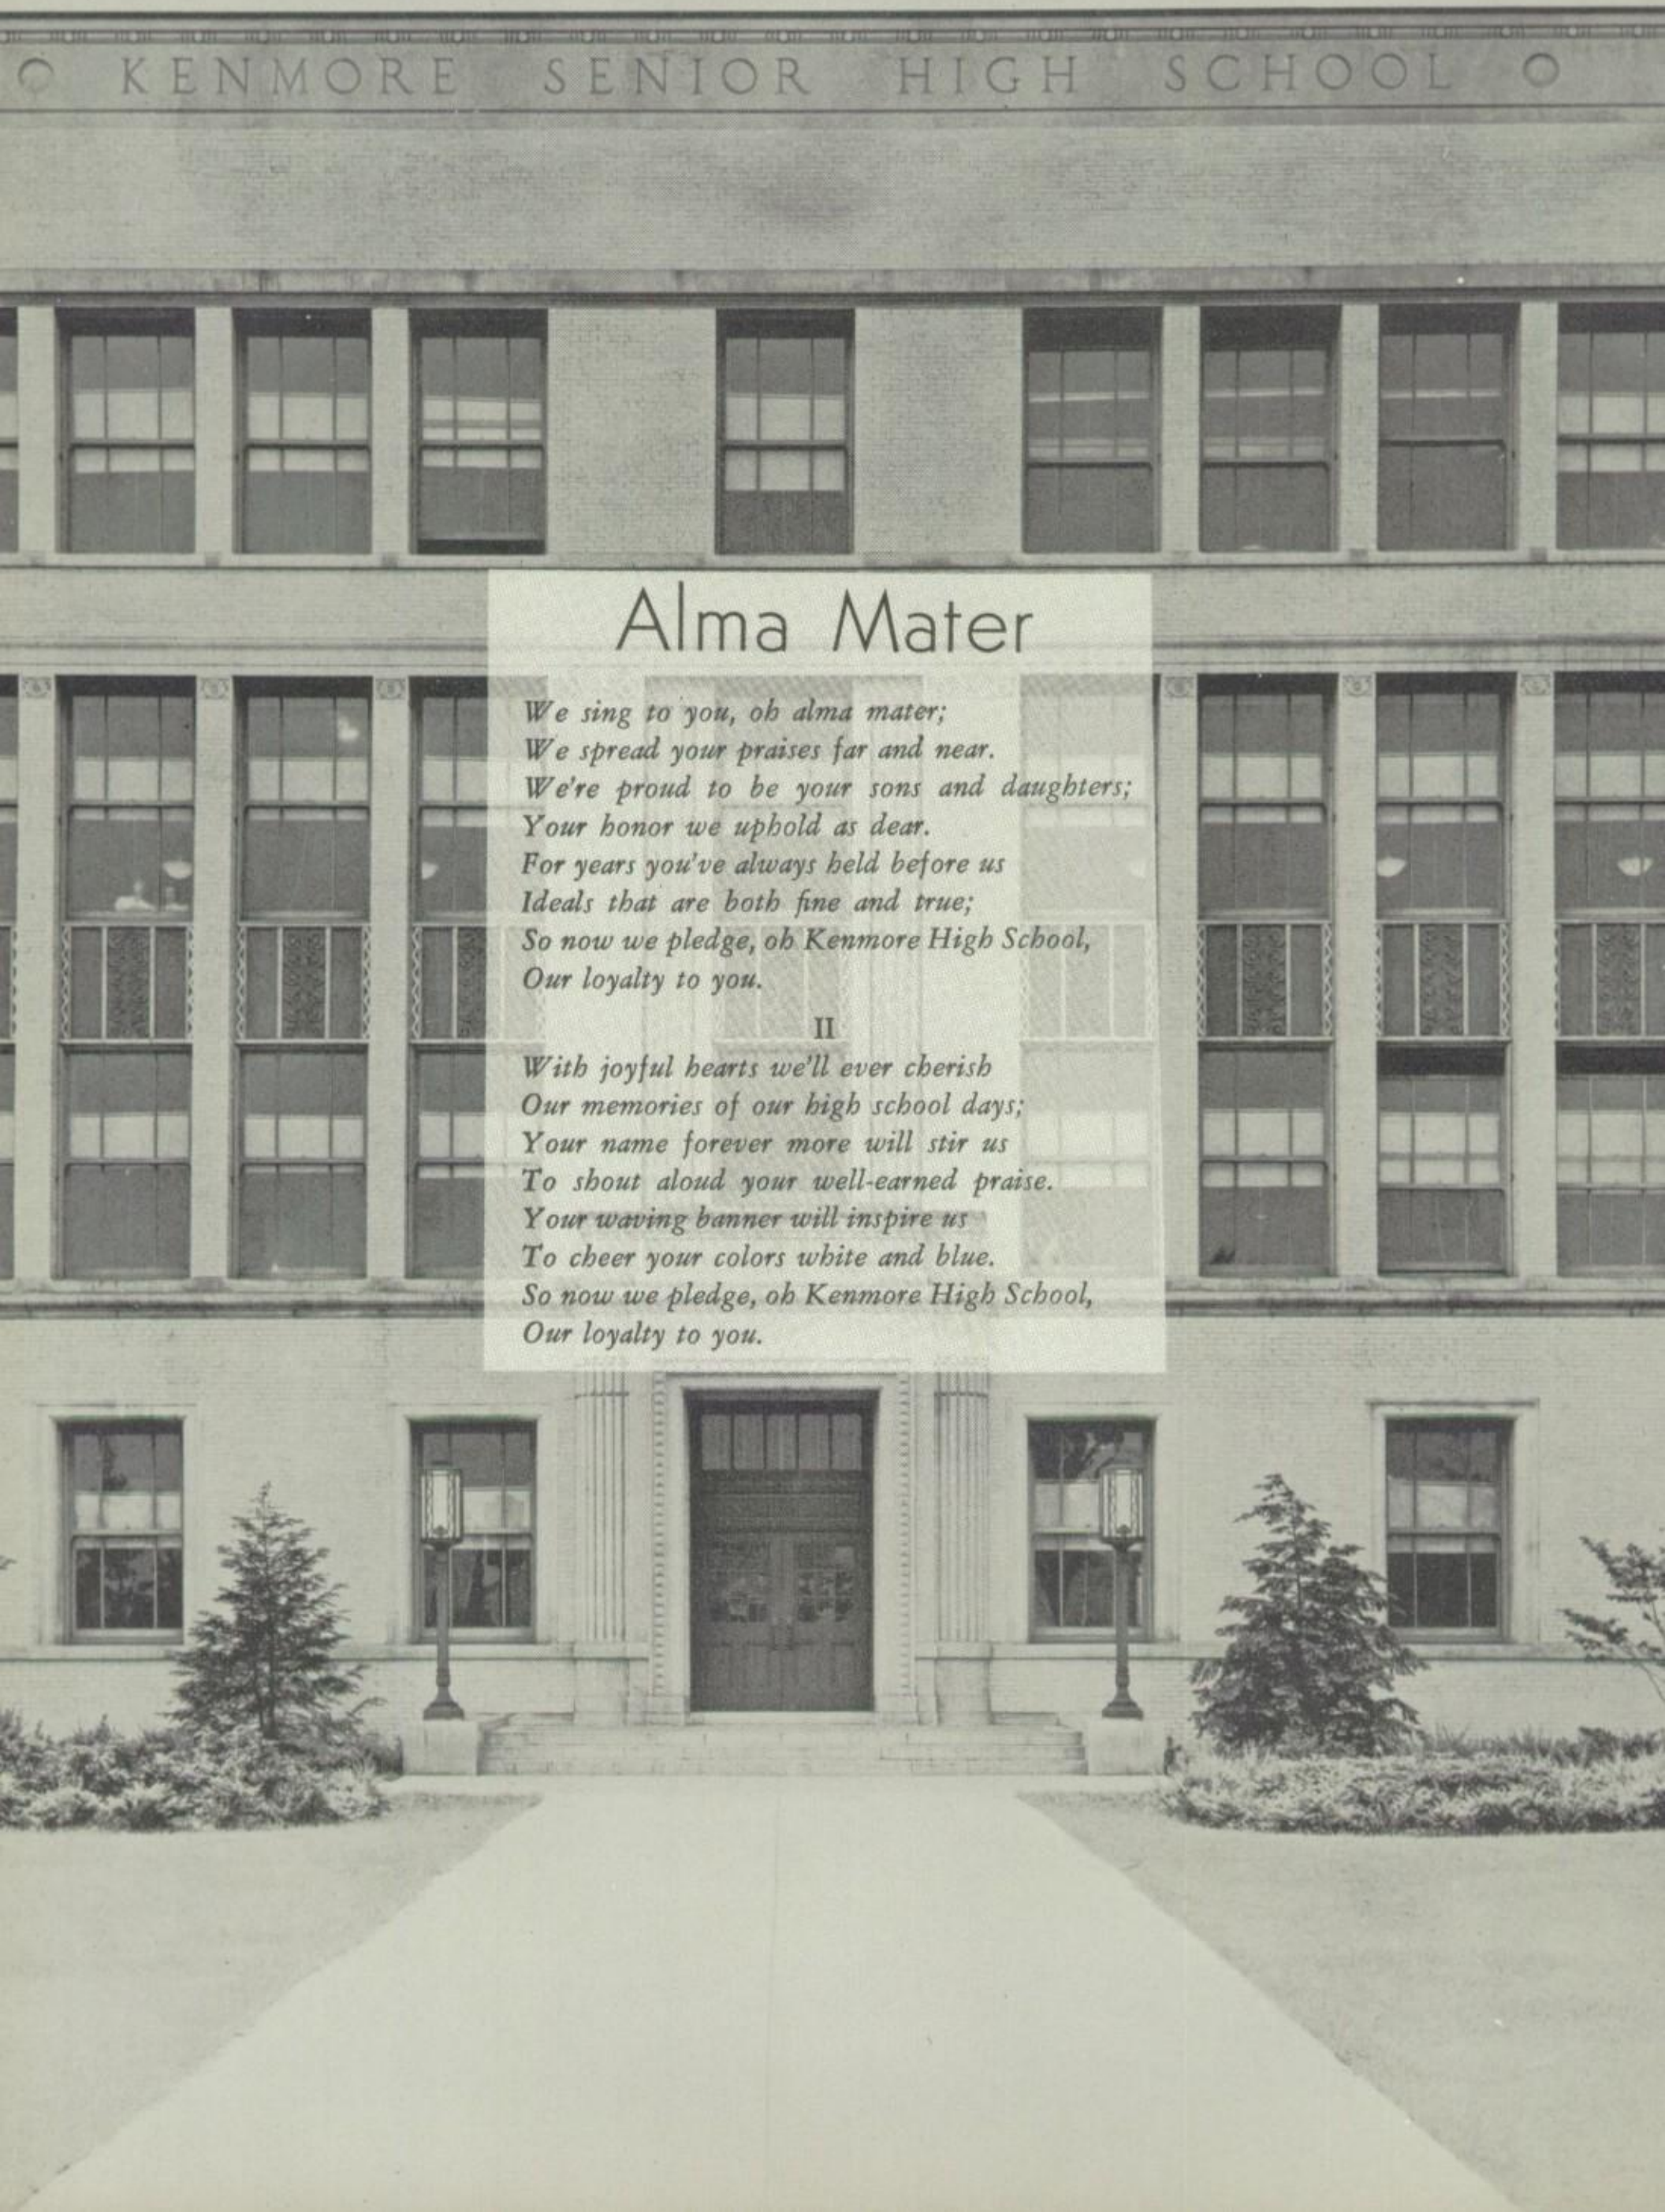
Foreword

WE, THE class of 1950, standing at the crossroads of an epochal century present to ourselves and to our future this book. We wish to symbolize our academic life as being a part of a progressive environment and that our half a century class stands as a beacon illuminating the past and charting the future. Our industrial theme is a fitting tribute to a growing community of which our school is a vital part. The debt we as students owe to our society we hope to repay with what we accomplish in the future. From our school we trust will come the sinews of additional strength and vitality to this society.

And now, dear reader, we ask you to turn these pages and look at us as we are in this year of 1950. Here you will find us in the flower of youth, amidst our fellows and teachers; in class and at play; serious and frivolous; sublime and ridiculous; sombre and gay. But the sum total is the realization of the pledge of our school song as—

We sing to you oh Alma Mater
We spread your praises far and near.





Alma Mater

We sing to you, oh alma mater;
We spread your praises far and near.
We're proud to be your sons and daughters;
Your honor we uphold as dear.
For years you've always held before us
Ideals that are both fine and true;
So now we pledge, oh Kenmore High School,
Our loyalty to you.

II

With joyful hearts we'll ever cherish
Our memories of our high school days;
Your name forever more will stir us
To shout aloud your well-earned praise.
Your waving banner will inspire us
To cheer your colors white and blue.
So now we pledge, oh Kenmore High School,
Our loyalty to you.

As WE the members of the senior class of 1950 reach our final goal, we each realize the great vote of "thanks" we owe to our Board of Education. These men and women have watched us progress from the raw material of our Sophomore year to the finished product as seniors. They knew the work and planning that would go into this transformation, and as our "guiding light," have given unselfishly of their time and energy. Never can too much praise be given to our Board; we are only sorry there isn't a word which will sum up all the thoughts and praise we owe to them. It is our hope now that we can do justice to their splendid guidance as we enter our places in the world of tomorrow.

Half Century Class

Seated: J. Russell, President; D. Ives, Secretary.

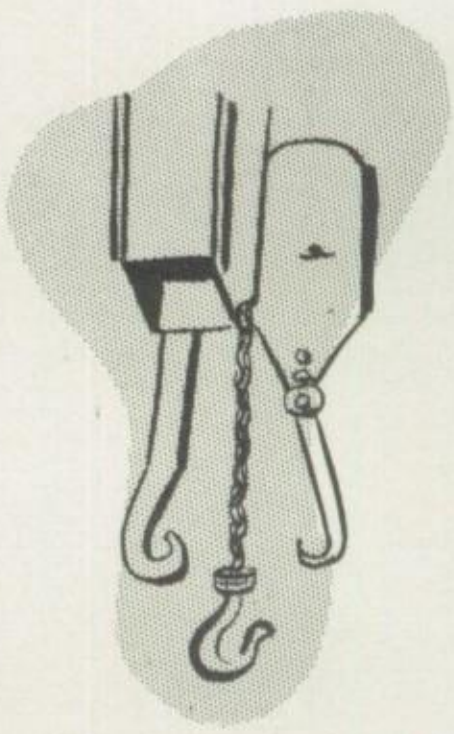
WE NOW present the finished product of our industry — the Senior! He has been molded into a "big wheel" who acquiesces to no trivial matter but guides the common laborers — Juniors and Sophomores, through their various stages of production. In the years to come, when he has long left the portals of Kenmore High School, may this book and section bring back happy memories of the days when he was a leader and not the raw material which society shapes to its pleasure. To his reminiscing may it add many pages to a glorious past.

From Raw Material

The youth of today is a raw material
To be shaped by society and molded to form.
He is cast into the hands of others,
To grow, learn, perfect, and achieve.

His parents, teachers, and friends are the forgers —
They add fuel to his inner flames
And kindle his spark of enthusiasm.
Through them, he leaves the trivialities of childhood
To take command of his own youth.



From remnants of others' experience,
From experience all of his own
He finds a wealth of ideas
To pour into his mold of character.

Carefully, he blends his opinions,
As molten steel, he blends them, shapes them, and cools them
To become the solid foundation for his future.

All is not perfect in the ways of youth;
He has imperfections, even as the unshaped steel,
But through self-discipline and honest thought,
He cuts away his flaws
And hammers in, his own bars of individuality.

Though the paths ahead be arduous,
Through the darkness he shall not fail.
He shall go from unrefined youth
To the nearer perfection of age,
And know that his life is a process
Of blending, molding, and casting the raw material
Into the glorious epoch that is his.

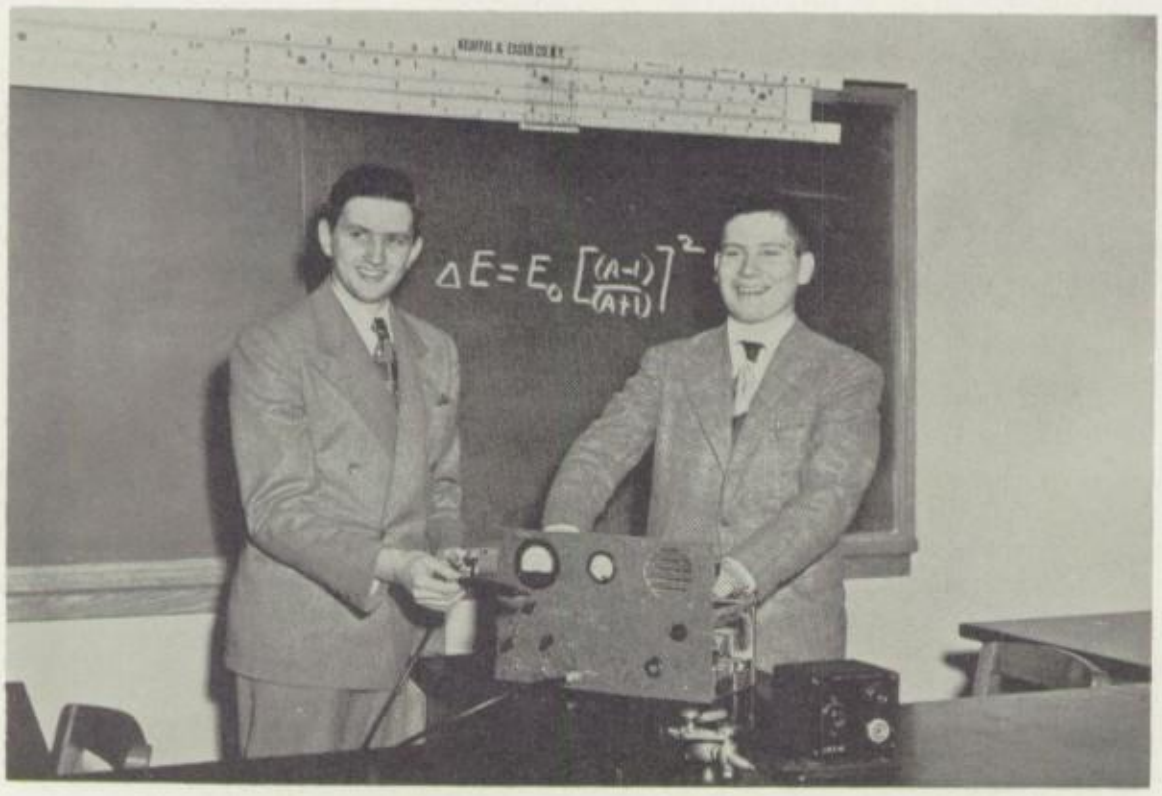
Our Honored Scientists



Dennis Malone, Robert Detenbeck

THE CLASS of 1950, as well as Kenmore High School, has been honored by the work of Dennis Malone and Robert Detenbeck. Their scientific knowledge and experiments have won honors in the Westinghouse Ninth Annual Science Talent Search. Dennis used as his project the theory and design of an experimental neutron source, while Bob used a scintillation counter for detecting radioactivity. For their efforts, the two boys were invited to Washington to compete for the final scholarships.

In addition to these projects, they have done other significant work. Dennis has built, entirely on his own, a Van de Graaff generator, which he will donate to the school's science department. Bob has designed a uranium pile for the school's use. Together the boys have made a Geiger Counter and a Tesla-coil, which will both belong to the school.

Three other Kenmore seniors won honorable mention awards in the talent search. They were Glenn Cooper, who did his work in physics, Jeanne Carol Hann, and Joan Randolph, both of whose projects were in biology.

The Class of 1950 is proud to single out these people in its yearbook — it is our way of showing our appreciation and our hopes for future success. We should also like to commend the fine help and guidance given to these students by Mr. Gladieux and Miss Schwabe.

EVERY organization has its honored few. Kenmore High School is represented by the Honor Club. These are the people who, each year, depict the epitome of scholastic perfection. To those hard workers who barely missed the roster, we hope that they will endeavor to advance in the future. To those who worked hard and have been honored, we congratulate them. We hope this victory will inspire them to greater goals. Success is surely theirs, for they will brighten the paths for others.

Gentlemen:

The fact has been brought to our attention that you desire an itemized record with its estimated value of our recently completed product, namely, the class of 1950. Therefore, we present without further delay our inventory of the progress made by this group through three years of production.

PART I

Entering the plant in September, 1947, the materials were consigned to Sophomore homerooms. We chose Tom Appleton, Joan Glunz, Ray Grace, and Sue Weis as our infantile leaders.

The cheerleading machinery was put to work by the new representatives, and everyone turned out for the popular football games.

As they say, "Birds of a feather flock together," the new students picked a new teacher, Mr. Yakapovich, as advisor.

Everyone envied those lucky sophomores who had Mr. Mooshie for World History. The "words of wisdom that dropped from his lips" proved to be experiences unrivaled even by those of superman.

PART II

We were rising up in the world as 1948 began to draw to a close.

Welcomed back into our midst as a foreman was Miss Conn. It was then that "Le Cercle Francais" got off to a big start and the Girls' Literary club heard about France.

A new social affair was introduced to our society. The Tinsel Ball was the event on the Christmas calendar.

Pint-sized Gordon Jaffe emerged from behind his accordion to win honors with Horace Heidt.

The Junior Show excelled in talent as our first production got under way. Johnny Thiesen and Marilyn Gregoire became the spotlighted entertainers for the show.

HISTORY

Sally Hoddick and Ray Grace certainly made a fine looking queen and king of the Blossom Prom.

Mac's Minstrels were a big event towards the end of the year, and the Juniors began to envy the lucky Seniors.

PART III

The all eventful year finally came before us. Ernie Hambleton let out his cry for "spirit." Dotty Bialogreck took over her presidential duties in Alpha Phi Lambda.

The star studded Senior Carnival brought forth our best in talent. Denny Blackley exhibited his humorous attributes to M. C. the show.

Carl Creighton began to trek his way across the gridiron to lead his team on to victory. Duffy and Westcott were not far behind him.

It was in this year that we became aware of the fact that three sets of twins, Kopans, Pekins, and Fenwicks, were leaving these halls.

Lest we forget—the cozy days of the coal strike that we (the Kenitorial Staff) spent in Mr. Mooshie's frigid "Back Room" accompanied by Arthur Godfrey, dirty coffee cups, and Brinson's hot dogs, cheeseburgers, hamburgers, french fries, and hot chocolate, courtesy of the Bowers-Simmons Delivery Service and Bower's currency.

Nearing the end of our career, we began to settle down to conscientious studying as the honor club was announced, and we looked forward to graduation. This was the pinnacle of our success. Class Day, the glamorous Senior Ball, Baccalaureate, and finally that misty graduation came and passed into oblivion.

These accomplishments are now but a memory in the glorious past which was ours. In the future we shall witness greater events which will overshadow these trivialities. Nevertheless they will never detract from, the splendor of these past moments in our history.

Without further comment or adoration, we are

Sincerely yours,

B.W.:D.C.

MAYOR DEDICATES NEW KENMORE HIGH SCHOOL

Mayor Donald Freeman was among the many notables present at the dedication of our new high school.

The new 10,000 room building is excellently equipped for study. It contains three bowling alleys, supersonic escalators, and pinball machines in the study halls.

The mayor, who was dressed conservatively in a red plaid suit, was introduced by Charles Evans, school principal. He was accompanied by Fire Chief, Ray Grace, and Chicken Inspector, Dick Wilson.

CATO TRAGEDY

Tragedy struck the Cato family last night. Miss Diane Cato, local Dog Catcher was attending the movies with her friend, Miss Barbara Chapman, famed comedienne. During her conversation with the latter at the theater, Miss Cato happened to make the remark, "Well, shut mah mouth." The gentleman seated behind her took the remark to heart.

Miss Cato now may be found in room 205 in the local hospital.

—EDITORIAL—

Kenmore has progressed greatly in the past decade. Since we reached the half century mark in 1950, our village (the largest in the nation — population 3,000,000) has advanced to the position of industrial center of the world. When we annexed Buffalo and Tonawanda, we found room for our growing population. Who knows what we could accomplish if we condescend to let New York City join us? Here's to Kenmore in 1960!

KENMORE'S INVENTOR BRINGS FAME TO VILLAGE

Robert Detenbeck has again honored his hometown. His latest invention, smellavision, is bound to bring a new industry to Kenmore.

Smellavision is television with authentic odors. It offers new fields of entertainment to such stars as Kukla, Fran and Dawe, and Hop-along-Houck.

LOCAL TEACHER IS HONORED

At a banquet last night the Board of Education paid tribute to Mr. Mooshie, who has just finished his 100th year of teaching at Kenmore High School.

At the ceremonies, Jack Westcott, President of the School Board, presented Mr. Mooshie with a gold-plated bottle of hair restorer.

COLLISION INVOLVES TWO KENMORITES

An unusual accident took place yesterday, involving an airplane and an automobile. The operator of the automobile, Ethel Drago, said that she could not find the brake in time to stop the car which was speeding along the highway at 15 miles per hour. Marian Grant, who was operating the plane, said that she was forced to land, and that the automobile was in the way. They collided. The two women were taken to the hospital in an ambulance driven by Charleen Norman.

RECORD REACHES THE 1,000,000 MARK

Dave Barber has received word that his latest record, "The Cry of the Wild Moose" has reached large scale popularity. The 1,000,000th copy of the record was sold yesterday in the Jaffe Music Store.

EDITOR WINS CULTURAL PRIZE

Our own editor, Jean Brock, was informed yesterday that she will receive the Gold Trumpet Award, given to outstanding journalists, by Barbara Wilcox, outstanding literary critic.

INVENTION PATENTED

Charles Dorries has just received a patent on his newest invention, the electric fly swatter. This handy device may be purchased locally at the Bowers Hardware Store.

JUNIORS AND SOPHOMORES

E. WOOD

Class of 1951

JUNIOR CLASS OFFICERS

SEATED: A. Matthews, Vice President; J. Schroeder, Secretary. STANDING: R. Martindale, Treasurer; Mr. Stark, Advisor; R. Tracey, President.

MID-WAY along our educational production line we find that material which is lacking in the all-important ingredient necessary for its completion — the experience of its Senior Year. It may help to moderate our opinion of this creature if we tell you that it was sent to us from an institution called Sophomoria, where it suffered extreme humiliation and suppression. The reason why our material is now an extrovert, which is the despair of all its teachers, should be obvious to the reader who realizes the dignity achieved in being elevated to the position of middle class.

But, in all justice and fairness, we Seniors must admit that we entertain profound admiration for the Juniors who are really very talented boys and girls. They worked hard on their Junior Show and the combined Sophomore Hop and Junior Prom. We believe in their ability to roll off the K.H.S. assembly line the type of product that the fussiest of employers or college professors would be only too happy to purchase.

Class of 1952

SEATED: B. Easter, Treasurer; G. Lynch, President. STANDING: R. Baker, Vice-President; Mr. Clarke, Advisor; D. Saypehian, Secretary.

EVERY year there comes into our midst a species of human being whom we call the Sophomore. A unique biped who, nevertheless, is an important addition to our school fraternity, for he comprises the raw material, however crude, from which we mould our athletes — yes and even our scholars! This flower-in-the-bud may be seen anywhere and everywhere. One cannot escape his infectious presence. He is raucous, though seemingly subdued; he is sly, though lacking in ingenuity; he is shy, though bold enough to skip school now and then; and, take him all in all, you will not look upon the likes of him again.

We ask you to be indulgent as you scan the pages to follow. We promise you nothing and yet there is excellent material there — had you the faculty to see it! For herein are to be found some excellent scholars, promising thespians, good musicians, and generally speaking, good "eggs"! But why say more? Look for yourself.

School Life

— And now we present to you our school in its informal setting — those hours in and out of school that made us frolic and sigh; study and cry; dance and dine; create and destroy; beam and scream; play and work; and be both angelic and mischievous; but hours which shall live forever in our memory.

For Who Will Ever Forget

Those hours spent in our art studios
The crazy and hazy Friday dances
The frenzied and rushed lunch hours
The scholarship conferences
The chorus rehearsals
The play tryouts
The class shows and minstrels
The driving class jitters
The noonday broadcasts
The queues outside of Mr. Pitkin's office
The clock-watching agony of the remedial hours
The screaming fun of the swim clubs
The snowball battery in our parking lot
The feverish rush to the buses
The goosebumps during regents week
The noise and confusion of intramurals
The mixed odors of chem labs and cooking club
The animal menagerie in the Biology room
The omnipresent quotations in room 241
The popular assemblies
The Christmas carols over the P.A.
And the everlasting, unpopular homework

— We wish we could represent them all but here are a few scenes to refresh your memory —

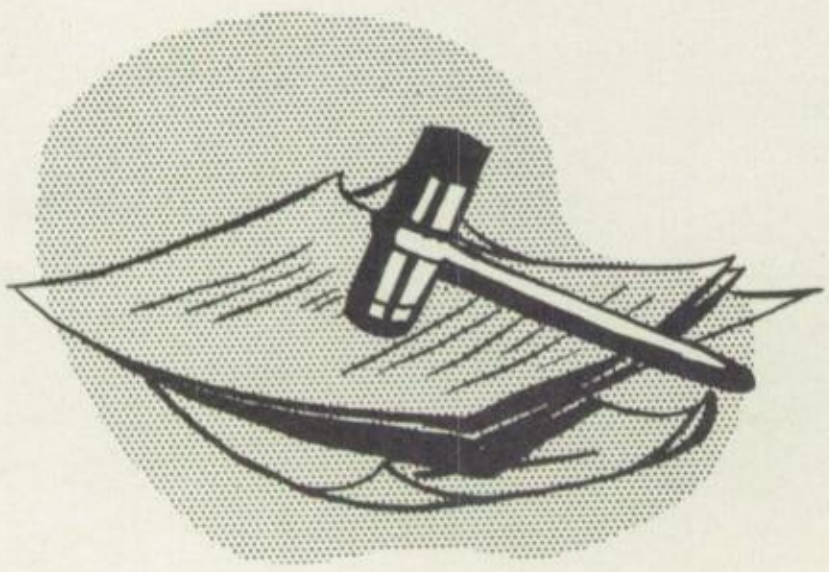
Student Council

ROW 1: B. Easter, G. Lynch, J. Schroeder, A. Matthews. ROW 2: A. Case, J. Westcott, Vice-President; J. Russell, Secretary; E. Hambleton, President; D. Ives. ROW 3: D. Saypehian, R. Martindale, R. Baker, R. Tracey.

THE Student Council, the "cog" in the big "wheel" of student activities, has built up a close relationship between faculty and students.

The purpose of the Student Council is to teach the students of Kenmore High School the principles of a democratic government by giving them an opportunity to aid in governing school affairs. Through active participation and election of representatives in the form of class officers, the students working with Mr. Freeman, Mr. Frazier, and Ernie Hambleton, Student Council President, are able to express their opinions regarding school matters and activities. This establishes a firm stepping stone to the place each individual will take as a citizen of the world of tomorrow. The principles of government learned now will be practiced and valued by the men and women of the future.



As has been a past custom, the Student Council sponsors the Community Chest Drive, the Junior Red Cross, and the March of Dimes, in addition to supporting our newly adopted War Orphan, Mieke Groothuis.

The Student Council this year has lived up to the excellent record established by Councils of previous years. The year's activities have been outstanding and worthwhile. To put everybody in a holiday mood, the Student Council sponsored one of the year's most outstanding dances, the Tinsel Ball. Good music, wonderful decorations, refreshments and a good time will long be remembered by all those who attended.

The Student Council, because of Ernie Hambleton's aim to promote better participation and attendance at the out-of-town as well as home games, organized pep rallies during assemblies and after school. Led by the cheerleaders, the enthusiastic students demonstrated their ability to support their team in defeat as well as victory.

Frequent Friday-night dances have been the product of some of these council meetings. Part of the money raised from these dances is put into the General Fund and some is donated to the Kenitorial for expenses.

We can all be proud of the Student Council's accomplishments this year, and we only hope that future Councils will meet with the same success.

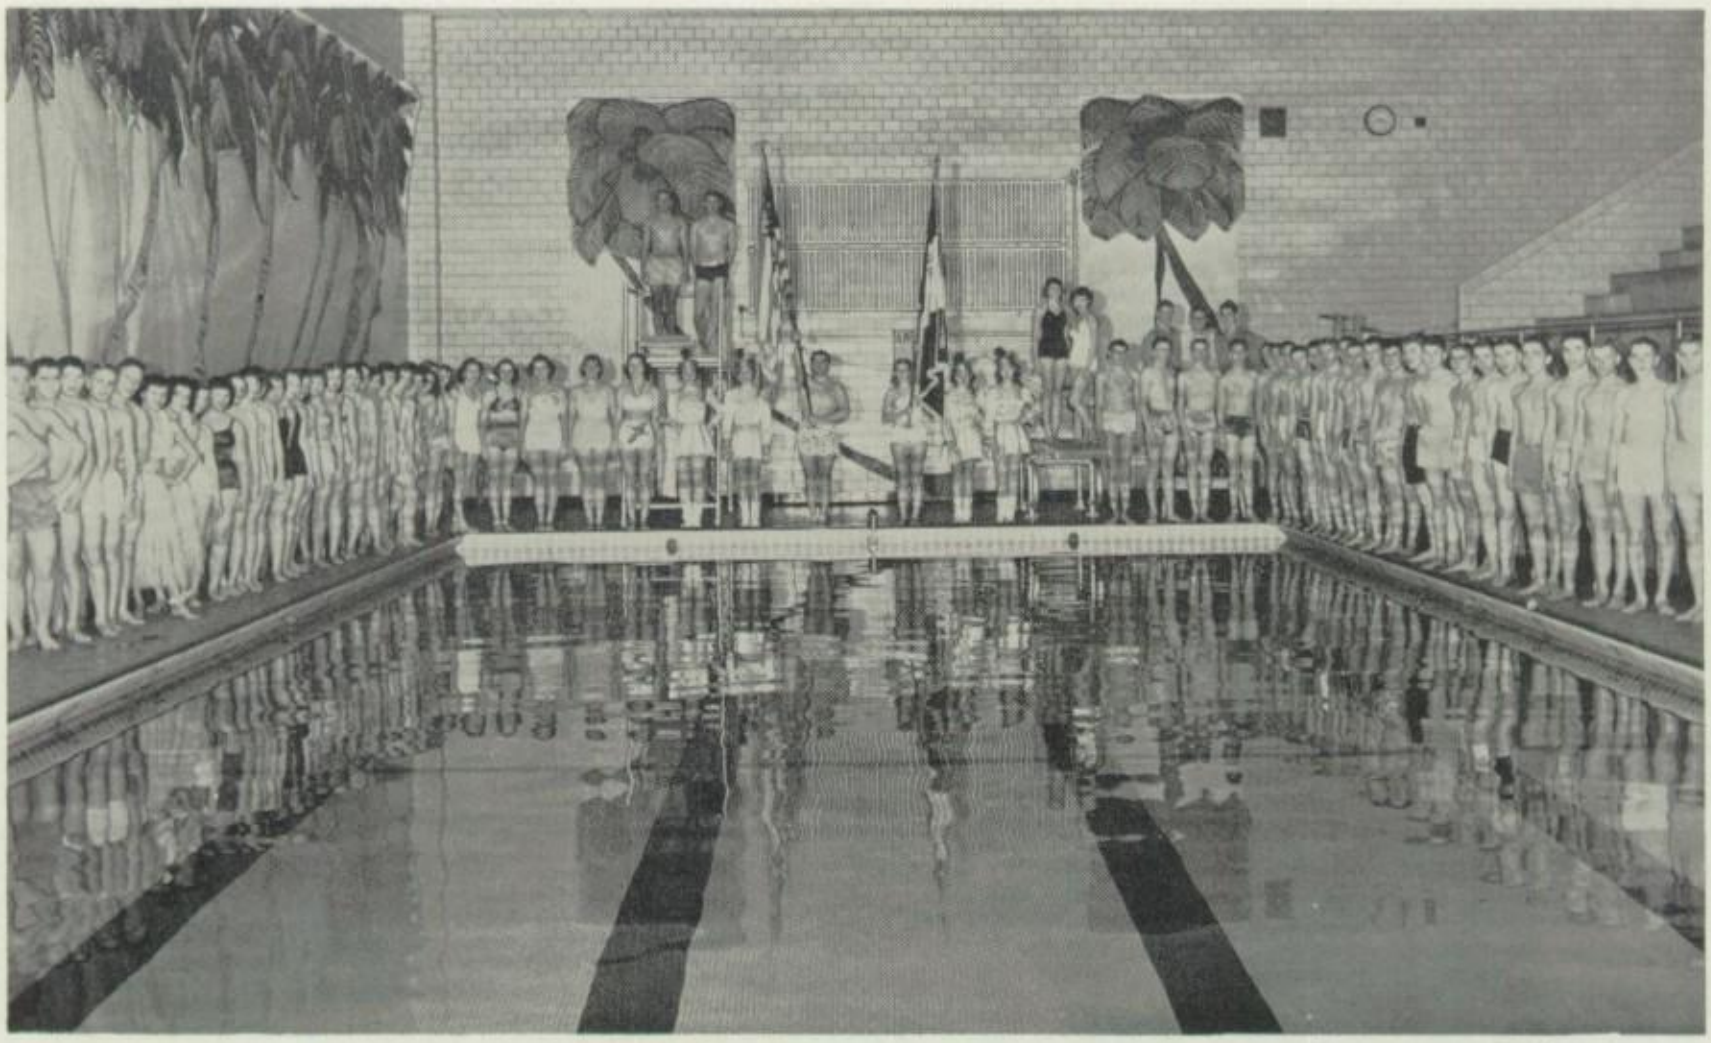
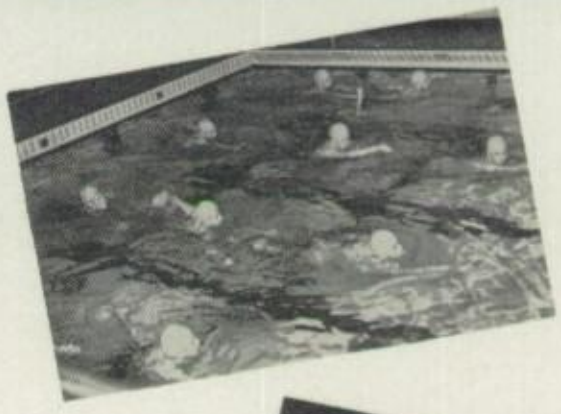
The Aquacade





OUR annual aquacade once again thrilled hundreds of students, parents, and friends with a colorful show of grace, charm, music and aquatics. The theme, derived from the Broadway musical, "South Pacific," provided picturesque and creative decorations. The enthusiastic acclaim of the show is a tribute to the ingenuity and hard work of Mr. Bollier and Miss Kauffman, whose cooperative effort deserves much credit.

The highlights of the evening were the acts, "Me and My Shadow", executed by Paul Eastbury and Nils Nielson and "Rhythmic Swimming" done by Sally Hoddick and Al Vogt.

IN KEEPING with the spirit of our industrial theme we of the Kenitorial staff would like to say that, like any corporation, we have had our General Managers, Department Heads, and workers. Several months ago this Kenitorial Corporation made its beginning under the productive advice of its managers, Mr. Mooshie, the general adviser, Miss Chase, the art adviser, and Mr. Frazier, the financial consultant. The Staff worked industriously and produced a publication which, it trusts, everyone will enjoy.

A tremendous task faced the eleven Department Heads or Editors but each did its best to make his or her section outstanding, and even during the feverish and hectic days of the "Coal Strike Vacation" there was a grim determination to meet the deadline. The Staff workers did well in carrying out various assignments — raising funds through advertisements and patronage, helping in the mechanics of editing, and other miscellaneous duties.

Now, after a year of organization, planning, photography, art work, writing and editing, the product is finished and on the market. May satisfaction of all be the consequence.

Co-Ed Swim Club

Early Group

'ROUND about 7:30 and 9:00 on Thursday nights, the "old swimming hole", is crowded with the "poly-wogs" and "porpoises" of the more aquatic-minded set. This is the time the Swimming Club meets under the joint direction of Miss Kauffman and Mr. Miller.

Here, amid blubs and screeches, one experiences the joys of having someone's misplaced foot shoved in your face or of being torpedoed and sunk by a flying cadaver. Although the Swimming Club has been in existence for only four years and is one of the newer school clubs, it is one of the most popular.

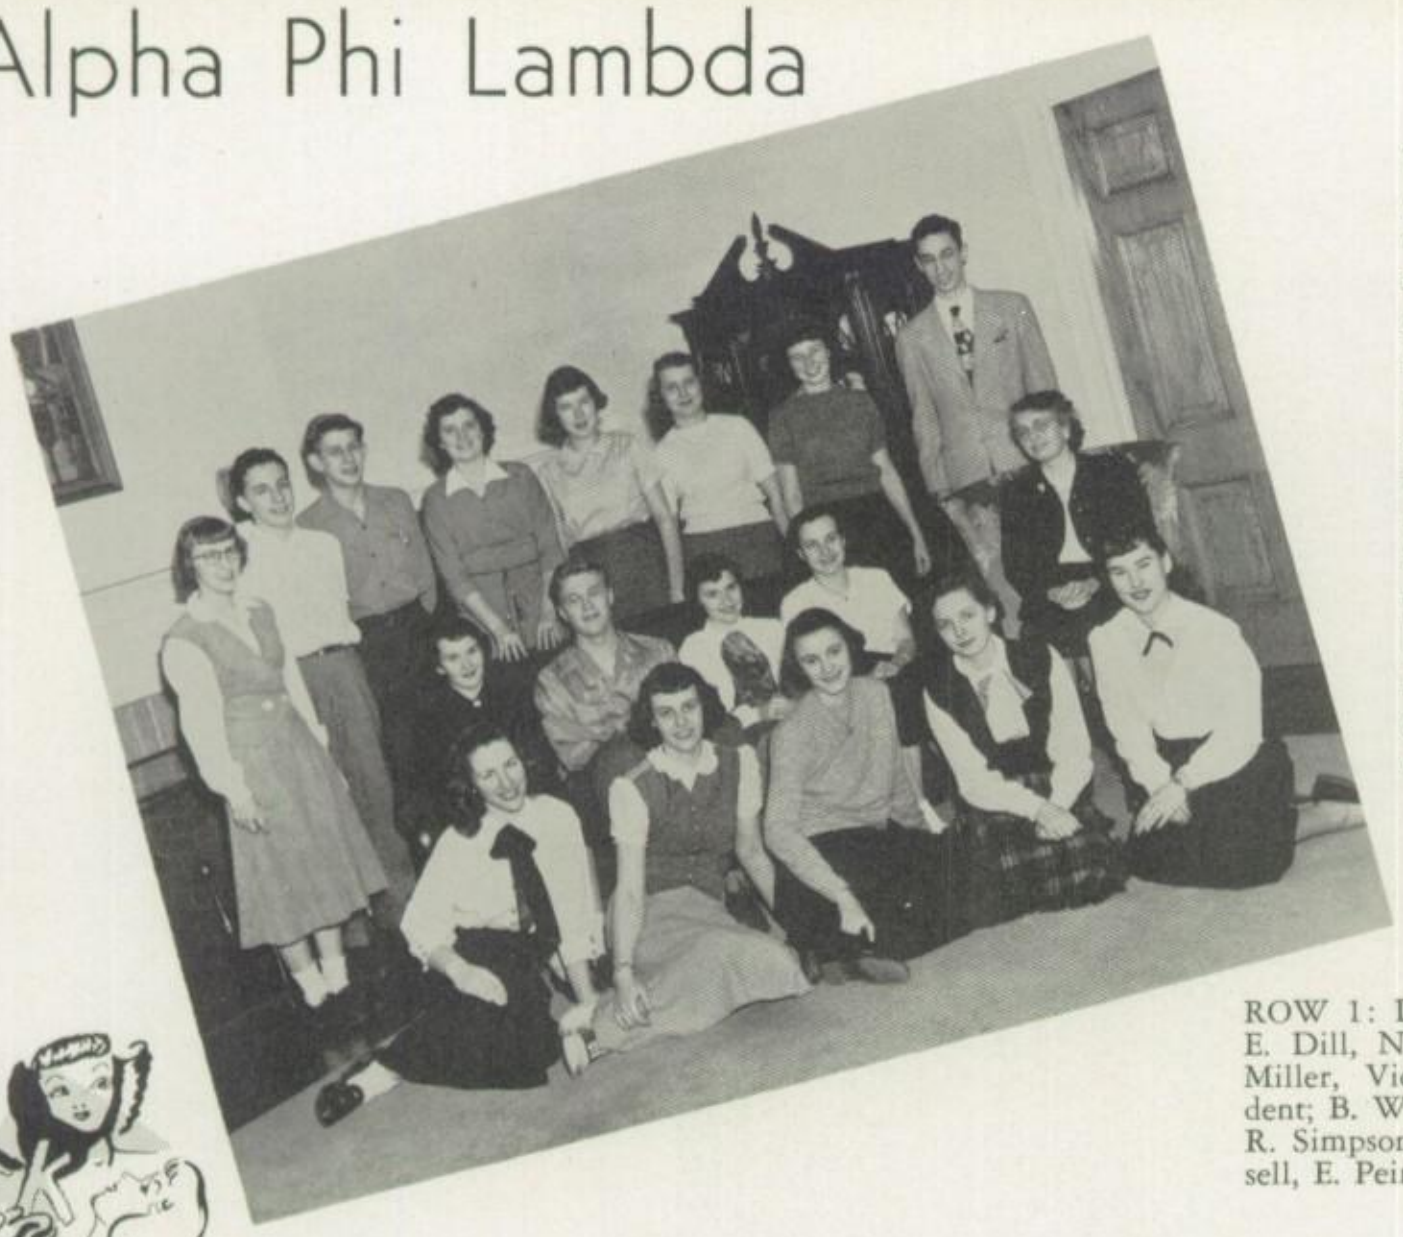
Rifle Club

Alpha Phi Lambda



THE main objective of this erudite group is to encourage creative writing. Prospective members must submit a sample of their creative ability in the form of a manuscript. This material is then read and discussed and if it is approved the unknown author is then admitted to the rolls. Under the excellent supervision of Miss Elizabeth Chittenden, each year the organization edits and publishes THE FLAME, a small annual booklet, combining the best original works contributed by the members.

Thespians

IF YOU know an aspiring actor who has seemed to be very busy this year, don't be alarmed. He has only been trying to earn enough credits to become a Thespian. Those who have been successful, have spent an enjoyable year furthering their knowledge of the theater and acting. Miss Strong's troupe number 108 is a lively organization and on several occasions throughout the year it has entertained the student body and the community with good plays.

Apostuli Romuli

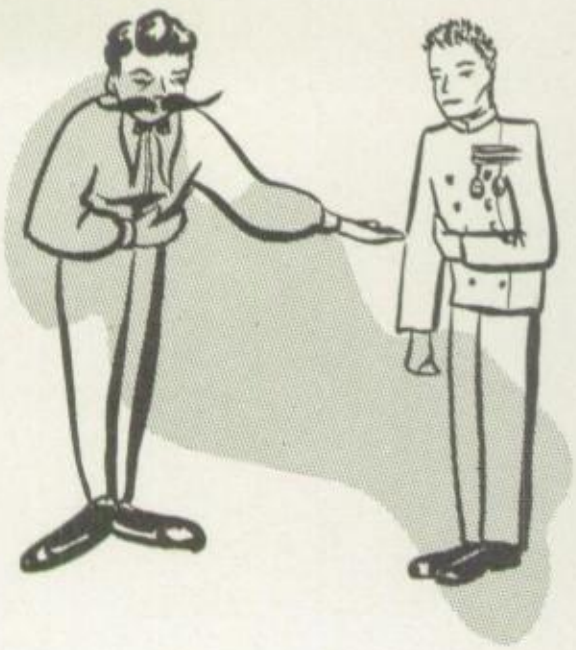
ROW 1: C. Brenner, J. Brock, B. Maunz, G. Miller, B. Tait. ROW 2: H. Sangree, Treasurer; E. Quirk, Praetor; D. McChesney, Consul; Miss Barrows, S. Hoddick, Consul; S. Siegwart, Praetor; G. Glindeman, Aedile. ROW 3: N. Hadden, J. Randolph, S. Forrest, L. Wolf, J. Kirkwood, J. Klock.

EACH of these two language clubs has its enthusiastic adherents and meetings throughout the school year are well attended. We sense a natural kinship between the Classical Romans of Miss Barrows and the Good Neighbors of Miss La Duca and so we place them on the same page. Should either group resent this alliance we suggest that the Kenitorial Staff be informed — that is, unless it tries to establish an Aryan ancestry.

Los Buenos Vecinos

ROW 1: H. Gibson, J. Popp, M. Hopkins, C. Hilliker, M. Boos, J. Shearman, V. Dawsey, ROW 2: T. Males, J. Kohl, Treasurer; S. Butler, Vice-President; Miss LaDuca, S. Joslin, President; A. Campbell, Corresponding Secretary; E. Wood, Recording Secretary; C. Norman. ROW 3: B. Trumble, W. Trumble, M. Grant, B. Leggett, B. Rose, S. St. Louis, M. Keith, L. Wilson, M. O'Keefe. ROW 4: S. Taylor, H. Bowers, D. Hughes, L. Smith, R. Rosenthal, D. Ewing, M. Marble.

German Club



ROW 1: J. Zerinchak, I. Yuhasz, M. Wild, A. Navelle, Treasurer; M. Clark, Secretary; J. Hann, K. Snickles, M. Gruber. ROW 2: R. Kellner, T. Schmidt, J. Grande, President; Miss Harms, Advisor; J. Ennis, Vice-President; R. Lapp. ROW 3: J. Rogers, A. Trott, R. Meissner, R. Simpson, D. Malone, A. Stein, D. Arnold, J. Izard. ROW 4: R. Bommer, J. Ryan, B. Sumner, S. Koehler, J. Stewart, W. Sumner, R. Abbott, W. Sauer, C. Block.

IT MAY be naively suggestive, but in view of the fact that for generations the two great continental nations of France and Germany have not managed to live amicably together, we are going to place our two clubs representing these language groups on the same page. We hope that Mlle. Conn and Fraulein Harms, the club advisers, will take a cue from us and promote this union — "N'est-ce pas?" or should we say, "Nicht wahr"?

Entre Nous

Industrial Club

"SEEING is believing" is an old saying and in Kenmore High we have somewhat changed this and say "Seeing is educating". Thus was formed a new Thursday night club under the guidance of the genial Mr. Dobson. On a Thursday night it was a novel sight to run into a group of quizzical and wide-eyed students tramping through such varied industries and plants as the Courier-Express, the Bell Plant, the Westinghouse Company, Station WBEN, National Gypsum, General Mills, the Chevrolet Plant and the Ford Plant.

The continuation of this popular club is assured by the popular large attendance of all of its tours.

AFTER starting the season on the short end of a 27-13 score against Jamestown, the Blue Devils came back to pass, punt, and run their way into second place in the Niagara Frontier League.

Following this loss the team came back to trounce Lockport 45-7 and continued a series of victories until they met their perennial rival, North Tonawanda to whom they lost by the score of 20-7.

For the final game of the season the Blue Devils traveled to Lackawanna and shut out the Steel City team 20-0 to climax a successful season under the able coaching of "Bud" Pitkin and Jules Yakapovich, and the leadership of Captain Carl Creighton.

Jack Westcott and "Mudder" McQuaid won places on the N. F. L. All League Team of which Westcott was captain. Joe Duffy, Norm Layer, Carl Creighton, Bob Hark, Dick Hermann, and Joe Perry received honorable mention.

The end of the season produced a surprise when "Bud" Pitkin, to whom so much of the credit is due, tendered his resignation. "Bud" began his coaching career at K.H.S. in 1936 and many of the championship teams produced since that time can be attributed to his fine line coaching. We salute "Bud" for his valued coaching in the past and wish him the best of luck in the future.

Jules Yakapovich will take over as Varsity Coach in 1950 assisted by Jack Oelkers, who has produced such fine J. V. teams. With this stellar coaching staff and Rudy Kristich as Captain, the Blue Devils are certain to continue along the path of victories in 1950.

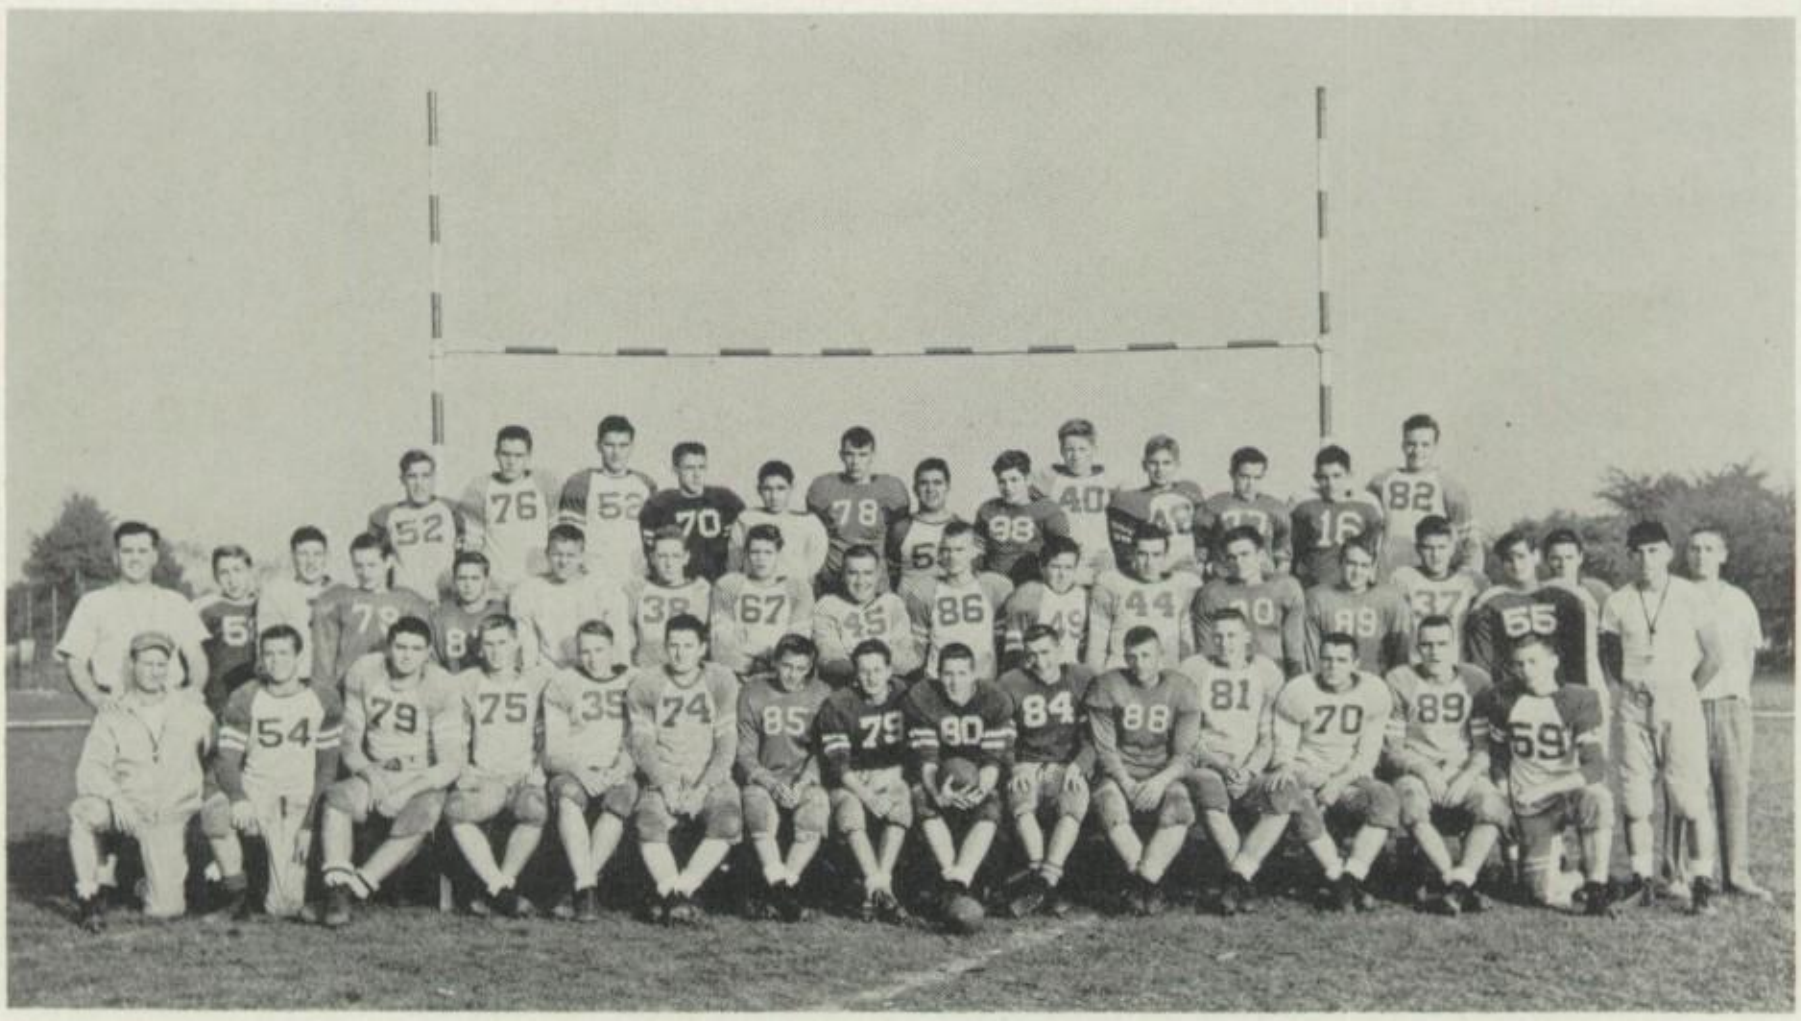
THE Junior Varsity went their senior brothers one better by completing the season in first place in the Niagara Frontier League J. V. standings for the second successive year with a record of four wins and no losses.

From the start of the season it was clear that Coaches Jack Oelkers and Al Witzig had a powerful team contending for first place.

The heads-up play of George Dimmock, Jim Reed, Ken Hall, and Rich Clark contributed greatly to the success of the team.

We expect to see many of these J. V. warriors on Varsity next year and extend Al Witzig our best wishes for a victorious season in 1950.



Varsity Basketball

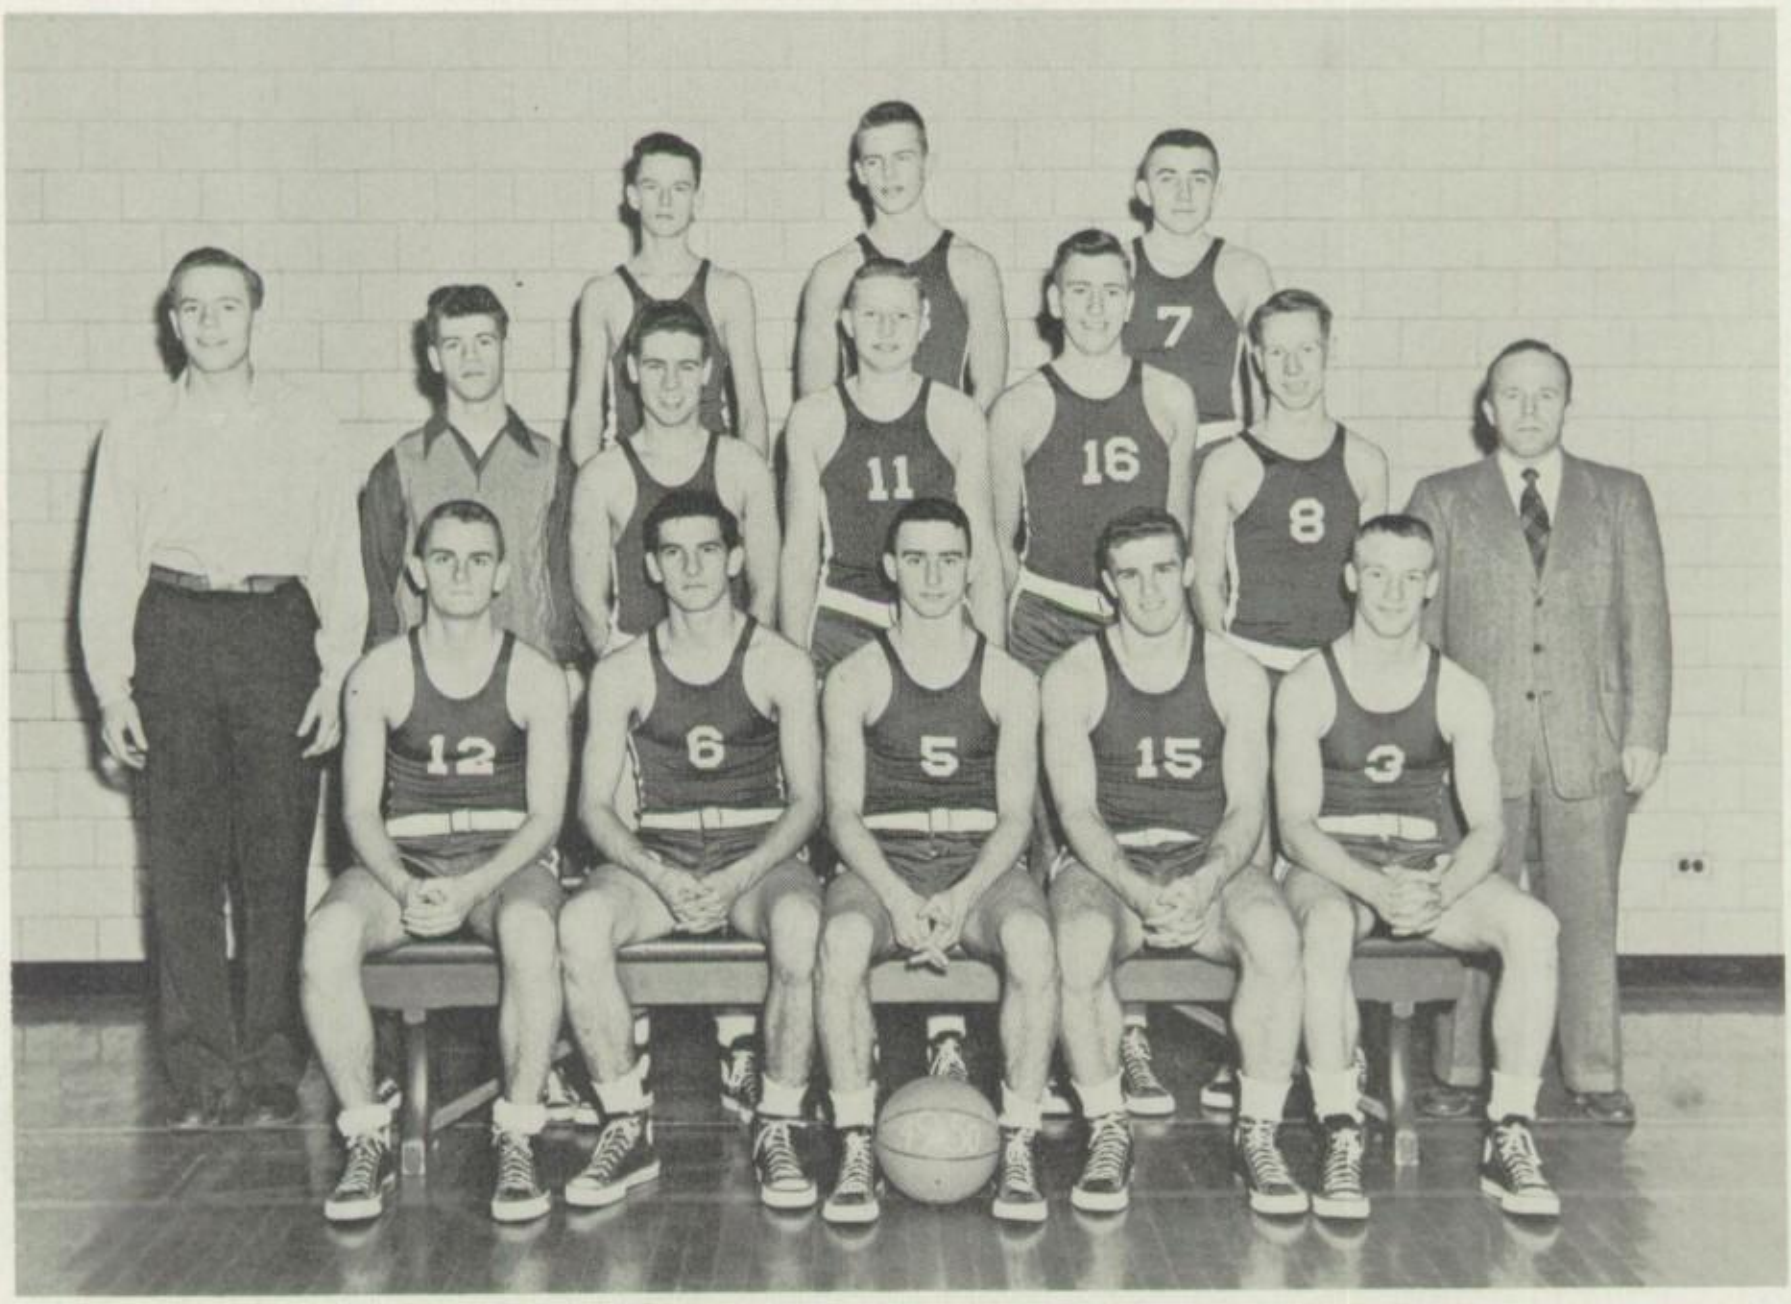
"A TISKET a tasket, we want a basket!" was a common call voiced on local courts this past winter, when Coach "Charlie" Rogers took his cagers to near-by schools to make their bid for the N.F.L. Title.

The opening game found our hoopsters in Lockport where after a fast-paced game the Blue Devils bowed to the Lions 61-45. The next four games in Tonawanda, Niagara Falls, LaSalle, and Trott had similar outcomes, but the fifth week saw the most thrilling game of the season against Lackawanna on the Kenmore court.

With only a few seconds to go in this hectic game, Jack Westcott tied the score 36-36 by making a half-court set shot, thus forcing the contest into an overtime period. Again the visitors frrom the Steel City went ahead, but George Dimmock saved the day for the home team by sinking a field goal and making the final score 38-37.

This game, however, was not a turning point as the team was unable to retain its stellar form and finished the season with a record of one victory and thirteen losses. Although the team did not achieve a laudable record the fine team work of "Sweat" Westcott, Captain John McFall, "Scooter" Carver, George Dimmock, "Tarz" Trumpfheller, and Dick Yochum deserve a great deal of praise. We are confident that next year's cagers will benefit by the experience gained this season and will emerge victorious.



ROW 1: D. Morey, R. Hark, J. McFall (Captain), J. Westcott, J. Perry. ROW 2: D. Linton (Manager), J. Champagne (Manager), F. Winnert, R. Yochum, D. Trumpfheller, T. Illig, Mr. Rogers (Coach). ROW 3: J. Carver, G. Dimmock, C. Kay.

J. V. Basketball

THE opening game of the season brought hope to the Kenmore fans that the 1949-50 season would be a successful one for "Mike" Stark and his J. V. Cagers. The Lockport Lions J. V. was the first opponent for the Junior Hoopsters, who defeated their Lockport rivals by the score of 31-25.

However, in the following games the team was unable to regain the fast pace they had displayed in the opener and bowed to Tonawanda 39-30, Niagara Falls 43-34, and LaSalle 43-25 in the next three games. The remainder of the season was much the same with the team only able to attain one more victory in ten starts.

In spite of the two wins — twelve losses record turned in by the team, the able coaching of "Mike" Stark and outstanding playing of Jerry Ames, Don Best, Bob Martindale, Dave Young, and Ken Hall show that the Kenmore fans can expect a more successful season next year.

ROW 1: D. Best, J. Ames, D. Young, D. Sweeney, Mr. Stark (Coach), J. Addis, W. Little, J. Norgren, D. Rohe. ROW 2: J. Martin (Manager), J. Hocking, R. Carlin, G. Trumpfheller, D. McRitchie, R. Martindale, K. Hall, C. Mackett (Manager). ROW 3: T. Evane, D. Collard, W. Johnson, D. Pray, P. Morey, A. Skarin, R. Jacobs.

Swimming Team

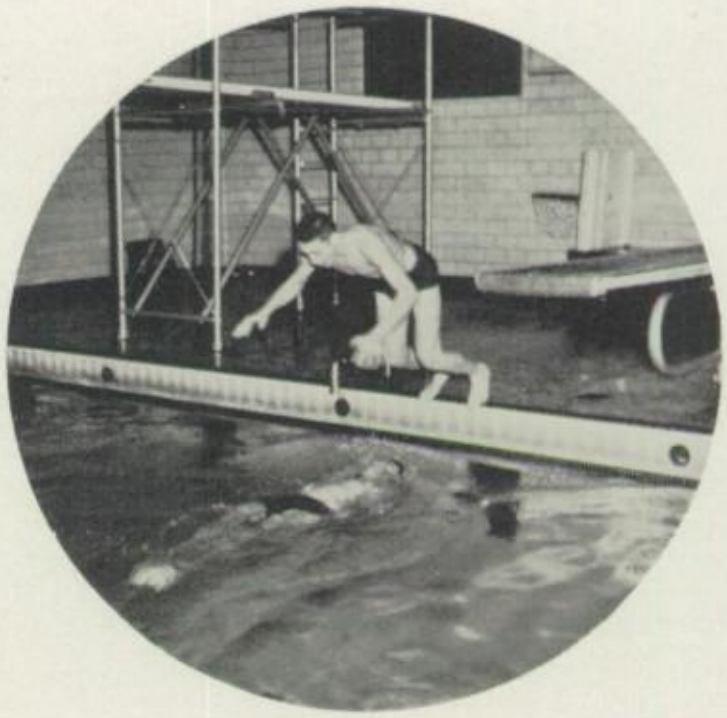
ROW 1: F. Center, D. Lang, D. McChesney, H. Markell, A. Vogt (Co-Captain), R. Supplee. ROW 2: Mr. Pohl (Coach), C. Dorries (Manager), A. Case, R. Warner, R. Fromm, R. Case, ON THE BOARD: N. Neilson, L. Dawsey, E. Hambleton (Co-Captain), P. Eastbury.

IT WAS a wet evening when the Blue Devils trounced the visitors of the Cataract City in the opening meet of the year. The mermen of K.H.S. were victorious in all but three of the following meets led by Coach "Charlie" Pohl and Co-captains Al Vogt and Ernie Hambleton.

Ernie won laurels for himself and the school by breaking pool and league records in the fifty yard free-style. Other outstanding performances were turned in by Al Vogt, Bob Supplee, Al Case, Don McChesney, Fred Center, Nils Neilson, and Lynn Dawsey.

With the return of Dennie Lang, Herm Markell, Rog Fromm, Nils Neilson, Ralph Case, and Paul Eastbury the 1950-51 season promises to be very successful.

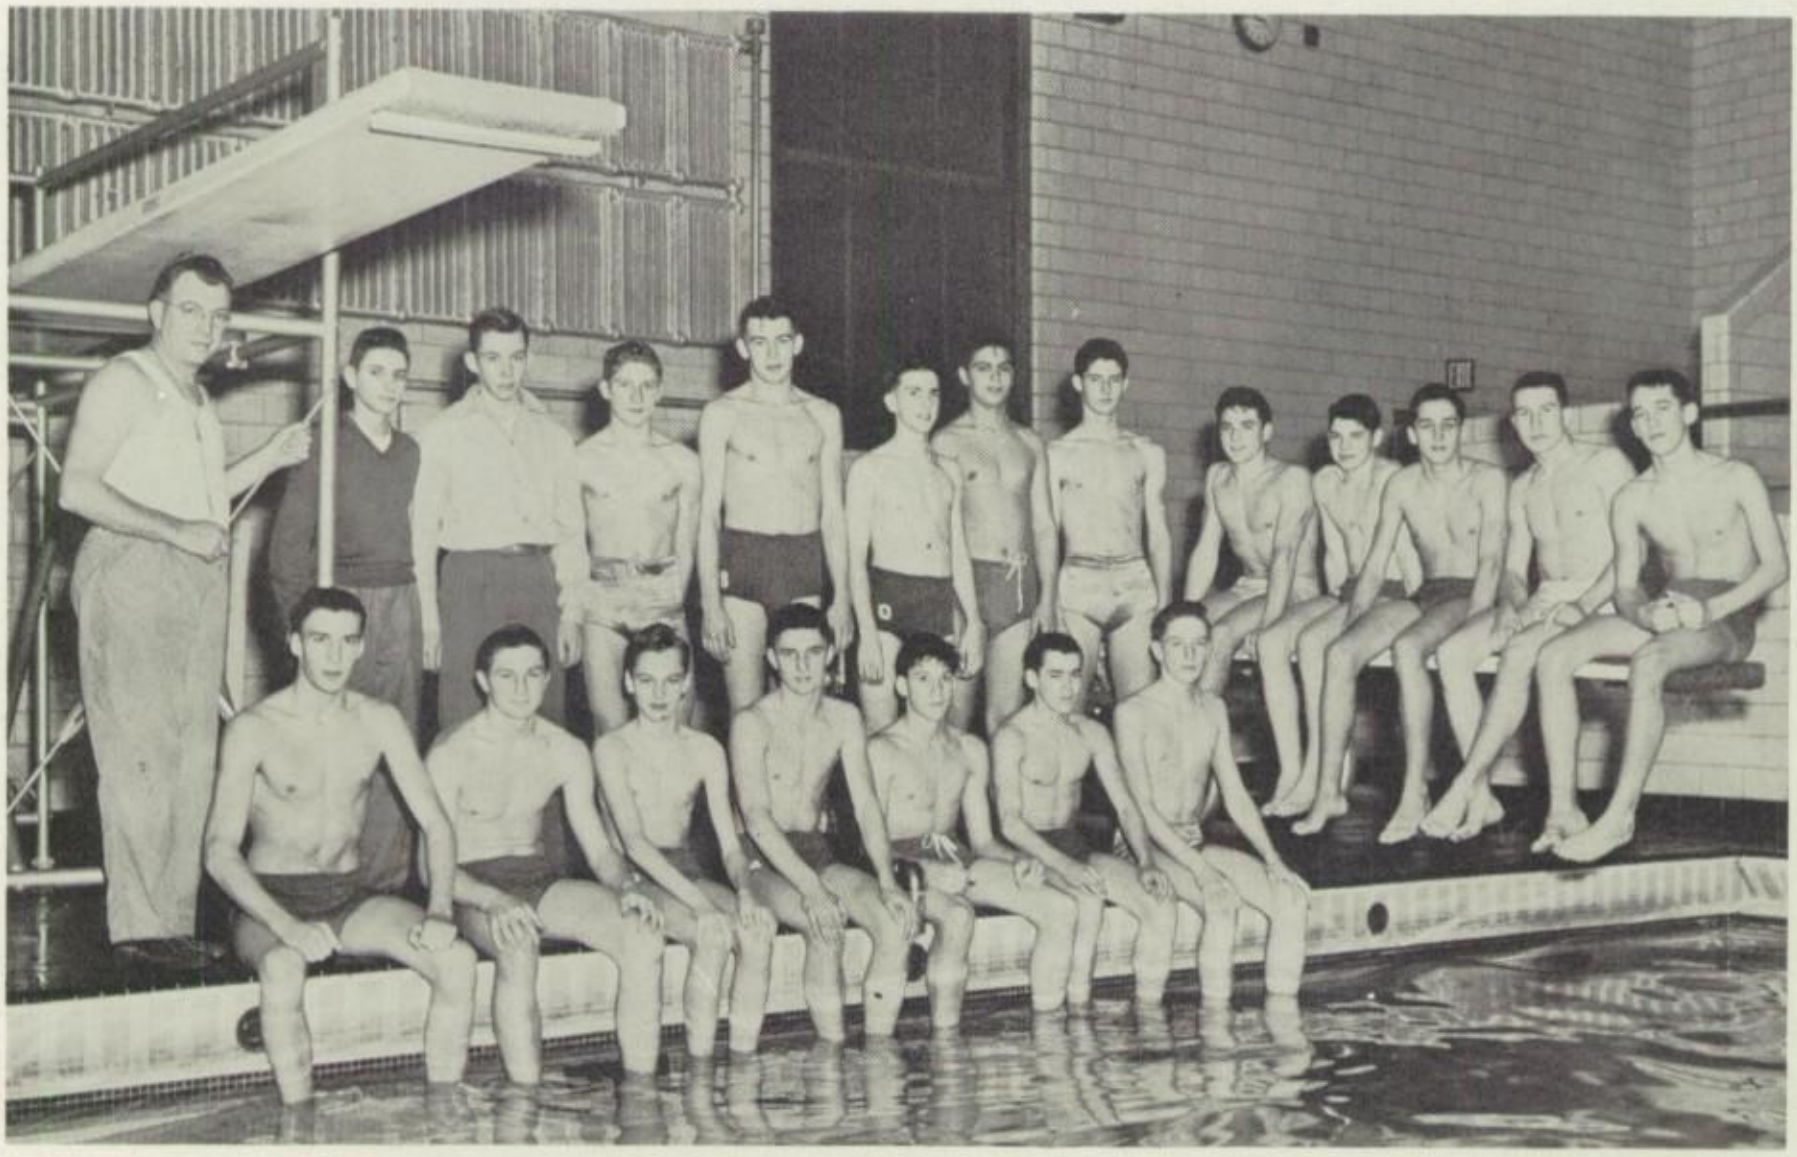
Post season honors went to the record breaking Relay Team of Don McChesney, Lynn Dawsey, Fred Center, and Ernie Hambleton, and to Al Vogt and Nils Neilson who went to Princeton, New Jersey for an invitation meet.



"B" Swimming Team

THE "B" Swimming Team followed close in the footsteps of their senior brothers, but bettered the record of the Varsity by losing only two meets in ten starts. Coach Charlie Pohl's junior swimmers seem to have benefited by the experience of this year's season and will help form a nucleus for next year's Varsity. With much of the credit going to Mr. Pohl, we can't overlook the ability of Frank Day, Ronnie Wink, and Herm Kubanek.

We're sure that the new candidates for aquatic honors and last year's veterans will bolster the ranks of the team so that they may again turn in a successful season.



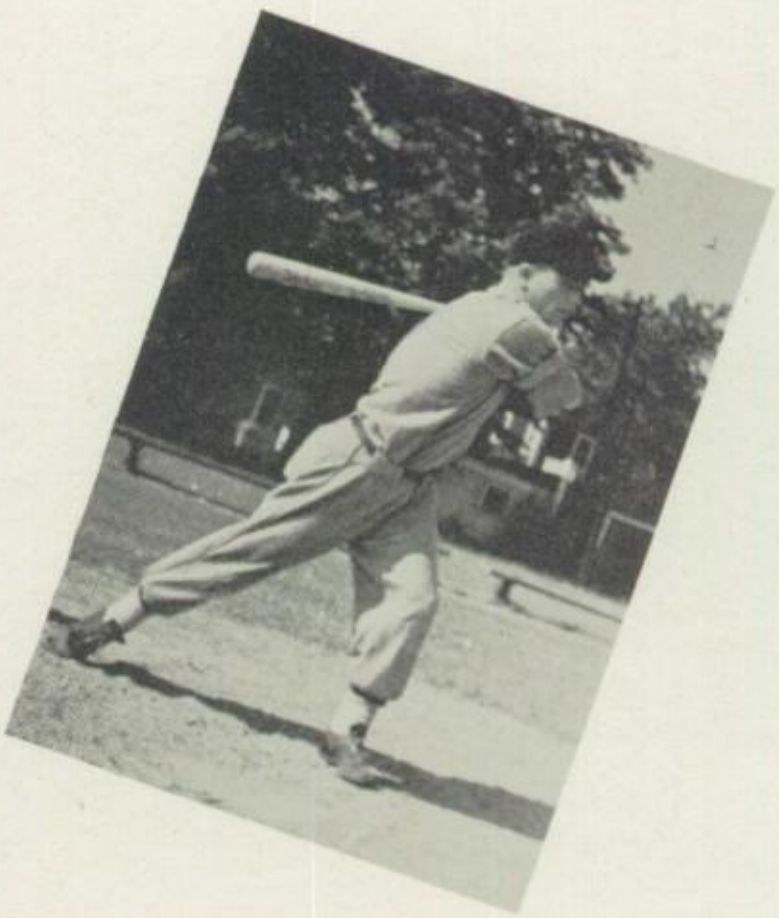
ROW 1: D. Klar, H. Kubanek, R. Wink, K. Hennig, F. Day, R. Schneggenberger, W. Murray. ROW 2: Mr. Pohl (Coach), A. Baisch (Manager), D. Frazier (Manager), W. Alt, E. Smith, P. Cuthbertson, M. Cicco, W. Fitzmaurice. ON THE BOARD: R. Garnier, A. Conroy, W. Riegle, W. Miller, H. Warnock.

Baseball

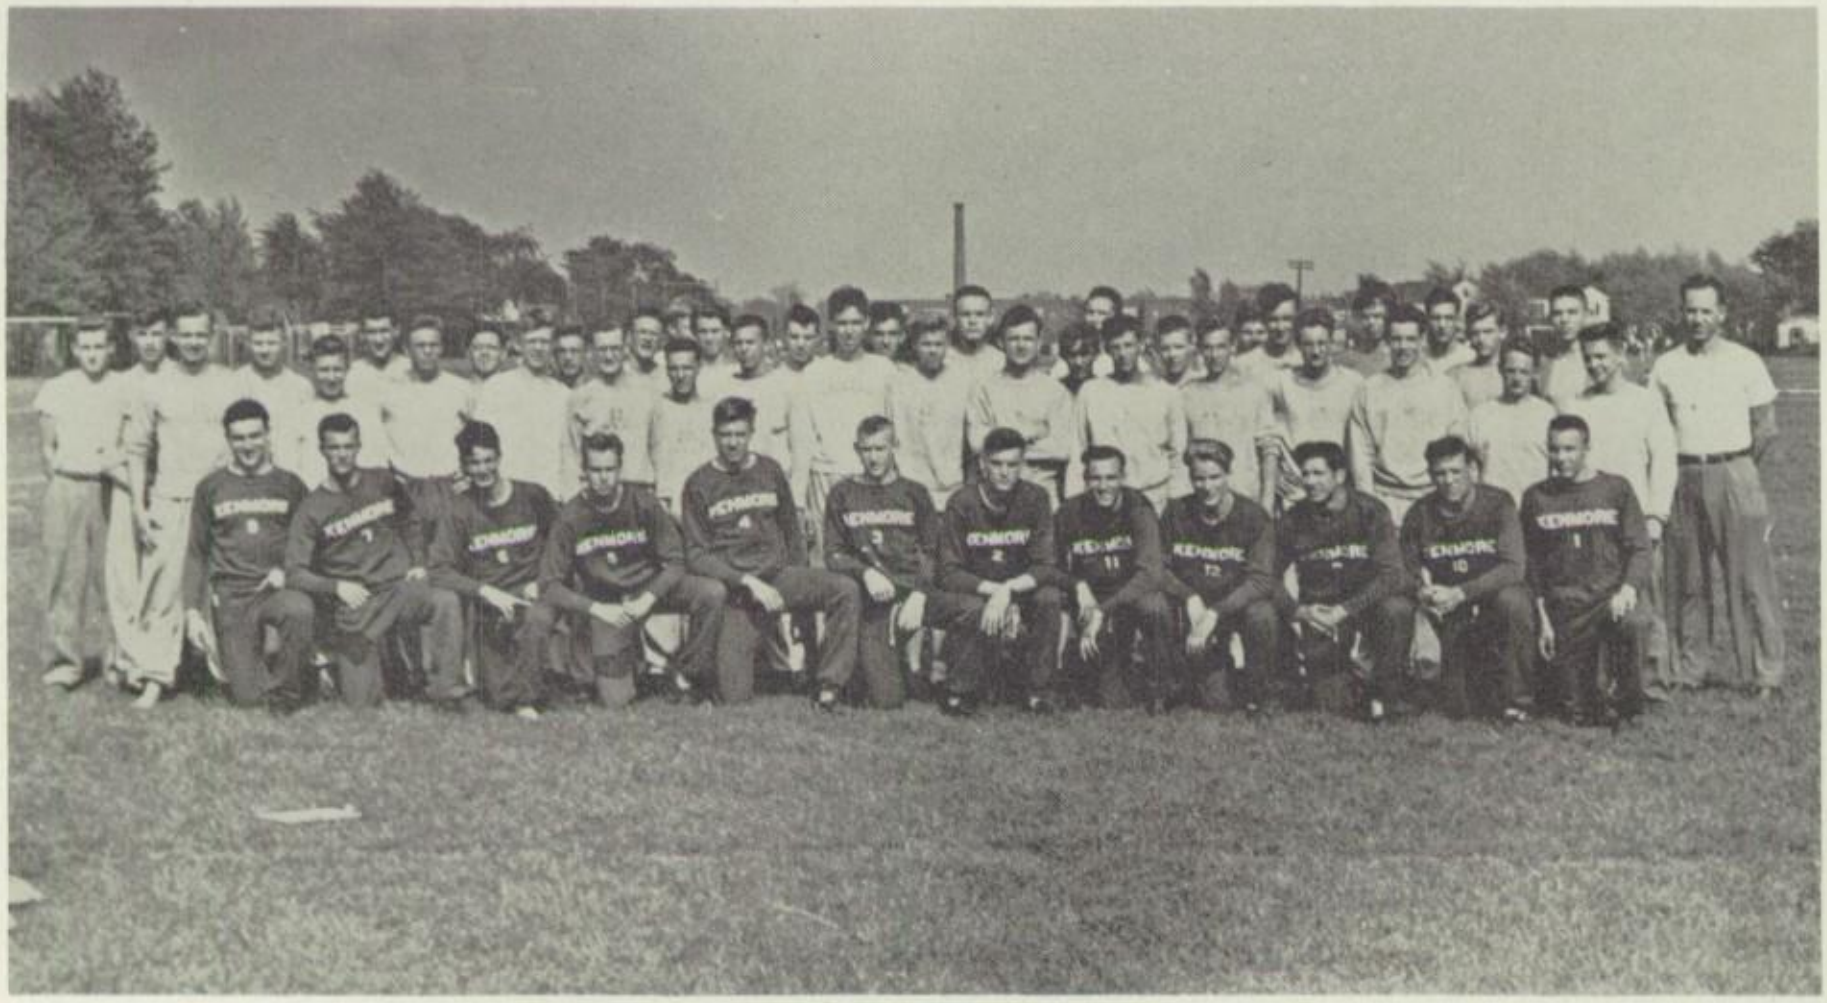
ROW 1: R. Bauerle, J. Norgren, J. Roth, W. Doerr, R. Grace, W. Stoddart (Captain), C. Kay, L. Panezich, R. Kristich, T. Whelan. ROW 2: J. Barton, W. Thomas, R. Hark, W. Bickerton, G. Koesters, R. Middleton, D. Valetich, D. Martin, H. Masten, J. Westcott, Mr. Kenny (Coach), R. Case (Manager).

ALTHOUGH the Diamond Blue Devils lost their opening game, they batted their way through the season to end it with a 4 wins — 3 losses record and second place in the Niagara Frontier League. However, the odds were against our boys and they were defeated by the Lumberjacks from North Tonawanda in the first round of the play-offs.

The coaching of Tom Kenny and the teamwork of Bill Stoddart (Captain), Bill Doerr, Bill Bickerton, Dick Bauerle, Jack Westcott, George Koesters, Tom Whelan, Bob Hark, Rudy Kristich, and Dan Martin earned the plaudits of the Kenmore fans. Next year's team co-captained by Jack Westcott and Rudy Kristich will be backed fully by the students of K. H. S. when they make their bid for the N. F. L. crown.



Track



ROW 1: R. Clark, R. Hutter, W. Ramsden, D. Wiles, J. Lingel, G. Gestwick, S. Swagel, J. Yacos, H. Bowers, A. Lojack, G. Grande, G. Tolhurst (Captain). BACK ROW: J. Saunders (Manager), D. Abbott, J. Easter, P. Hennig, W. MacIntire, B. Meer, L. Buckman, D. Cowan, R. Lapp, H. Hines, H. Simmonds, D. Cadwallader, D. Yochum, J. Tramontana, J. Schneckenberger, R. Stromberg, R. Barnes, J. Wolfram, J. Houck, M. Golde, R. Pfeiffer, W. Austin, V. Wictorowski, M. Morog, J. Warner, J. Keggins, R. Begley, J. Cowles, J. Reed, O. Donnel, F. Broadbent, D. Klar, C. Tilghman, T. Schunk, J. Rasche, D. Lewis, Mr. Bollier (Coach).

FOR the ninth consecutive year the Blue Devils of the Cinder Path ran and jumped their way through an undefeated season directed by the excellent coaching of "Chet" Bollier.

Opening the season in North Tonawanda the Little Boy Blue Tracksters marked up 63 points to win the meet from N. T., Tonawanda, and Lackawanna. The victories continued for the next three meets and the squad went into the N. F. L. Meet undefeated. A score of 35 points in this meet again brought the Niagara Frontier Championship to Kenmore.

The final meet was the Zone Six Class AA Championship at Dunkirk the following week where Kenmore wrote finis to a perfect season by annexing 40 points. The Blue Devils returned from Dunkirk with the Championship Trophy and the Relay Trophy won by Jack Keggins, Harry Bowers, Steve Swagel, and Joe Yacos.

Individual honors went to Captain George Tolhurst, who tied the pole vault record of 11 feet set by Slivokos and to Steve Swagel who set a new league record of 23.6 in the 200 yard hurdles. Jim Lingle in the 440 and Joe Yacos in the 220 each accounted for 5 points in every meet.

May 1950 bring Coach "Chet" Bollier a well deserved Tenth undefeated season, and to the team and Captain George Bertsch we say: "Higher and Faster."

Golf

"FORE" was the call voiced around the local fairways when Coach C. Sherwood Miller and his golfers ventured forth onto the greens for the 1949 season. In spite of the able coaching of "Sher" Miller and leadership of Co-Captains John Davis and Bob Forrest, the boys were edged out in several close games, and finished the season with one tie and seven defeats. However, everybody is confident that next year's team, captained by Don White, will give a better account of itself.

ROW 1: A. Vogt, R. Voyer. ROW 2: J. Davis (Co-Captain), R. Forrest (Co-Captain), D. Bivolcic.

MR. MILLER—Coach

ROW 1: H. Conlon, W. Staley, B. Heacock.
ROW 2: Mr. Wessel (Coach), W. Oakley, R. Stine, R. Nelson.

Tennis

FOR the second straight year, Coach Wessel's netters finished the season by winning the N.F.L. title. The team aced its way through six meets without a defeat led by Captain Dave White. Bill Staley and Bruce Heacock were undefeated in singles and then paired up to win the Zone Six championship. Everyone is wishing next year's team, Coach Wessel, and Captain Bruce Heacock a third year of victories.

Girls' Athletics

MISS MARIE SCHULER

MISS MARIE KAUFFMAN

AN INCREASING emphasis is being placed on all sports for girls and the popularity of all branches of athletics is the pleasing result. No small part of this successful accomplishment is owing to the two directors.

Miss Kauffman has been director of girls' sports for the past few years and most of the girls realize the good training she has given their aching muscles. Under her supervision, outdoor sports such as soccer, tennis, and softball have increased greatly in popularity. Her skill is much appreciated by all those who participate in girls' sports.

Miss Schuler is the able co-director of athletics. Because of her encouragement and assistance the popular new Tumbling Club has tumbled right to the top. She has charge of the girls' swimming team also, which was good last year and was equalled in many respects this year. Her excellence in teaching sports and sportsmanship has made her popular with all the girls.

We are pleased to give you a graphic portrayal of a part of this girls' athletic program of which we at Kenmore High are justly proud.

Bowling Champs

STRIKE! That is what we're always hearing from the participants of the ever-famous bowling. Last year, in its first interschool, telegraphic tournament, Kenmore came out on top. This year, one of our seniors, Verna Rockelman, made a score of 211 the highest score ever achieved by a Western New York high school girl. To determine winners of letters, the girls of each class, with the highest score are eligible.

ROW 1: K. O'Neill, R. Zerinchak, C. Yelle, J. Crofoot. ROW 2: D. Ives, J. MacDonald, V. Rockelman. ROW 3: M. Boos, J. Kirkwood. ROW 4: M. McCarriagher, J. Miller.

Baseball Captains

THE most popular spring sport is baseball. Because of the large turnout, our girls faced strong competition from opposing teams. After many long weeks of struggling, Diane Cato's team won the championship and their well-earned emblems.

ROW 1: F. Lipisco, D. Cato, E. Drago. ROW 2: J. Kirkwood, R. Zerinchak, J. Zittel, B. Simpson.

Soccer

ROW 1: D. Martin, M. Gruber, E. Mendolera, E. Stresing, S. Couell, B. Olmsted, K. O'Neill, C. Nagel, J. Hann, J. Lazarro, A. Campbell, M. Nemeschek, A. Knuth. ROW 2; E. Szkiba, M. Monan, S. Sims, C. Kresge, F. Fronzcak, J. Tilley, N. Woodmansee, D. Aronica, E. Quirk, G. Hagen, J. Randolph. ROW 3: J. Hamil, S. Hoddick, B. Chapman, S. Forkin, M. Volk, L. Swalm, B. Seuss, A. Hagen, J. Siegel, J. Walker, B. Ray, P. Zurbrick, B. Bollier, C. Dell, F. Lipisco, B. Glass. ROW 4: M. Clark, J. Mason, G. Lynch, M. Frazier, D. Cato, S. Thompson, P. Dow, J. Guariglia, R. Johnson, J. Heuer, M. O'Keefe, P. Williams, J. Wilson, A. Baker, C. Brenner.

SOCCER, a comparatively new girls' sport, is becoming increasingly popular. The seniors, with all their experience, were undefeated this year despite some funny accidents that occurred during their games. Coming out on top was O'Neill's team. The winning junior team was Martin's, and the winning sophomore team was Dow's.

Basketball

ROW 1: V. Rockelman, J. Russell, R. Argen, P. Vaccarella, E. Drago, D. Ives, M. Walker, J. Higgs, B. Olmsted, B. Stadel, E. Quirk. ROW 2: M. Nemeschek, G. Hagen, A. Baker, F. Lipisco, B. Glass, J. McDonald, M. Boos, V. Wright, C. Hawkey, A. Rote, J. Brock, J. Walker, M. Frazier. ROW 3: S. Hoddick, B. Wilcox, K. O'Neill, J. Randolph, P. Williams, L. Swalm, M. Hetzke, S. Taylor, M. Bonnevier, H. Kritz, T. Males, P. Dollman, S. Forkin, D. Cato. ROW 4: J. Crofoot, C. Brenner, B. Shaft, P. Wolf, A. Knuth, P. Lincoln, N. Hoffman, P. Watt, A. O'Day, M. Volk, J. Hornlein, J. Grant.

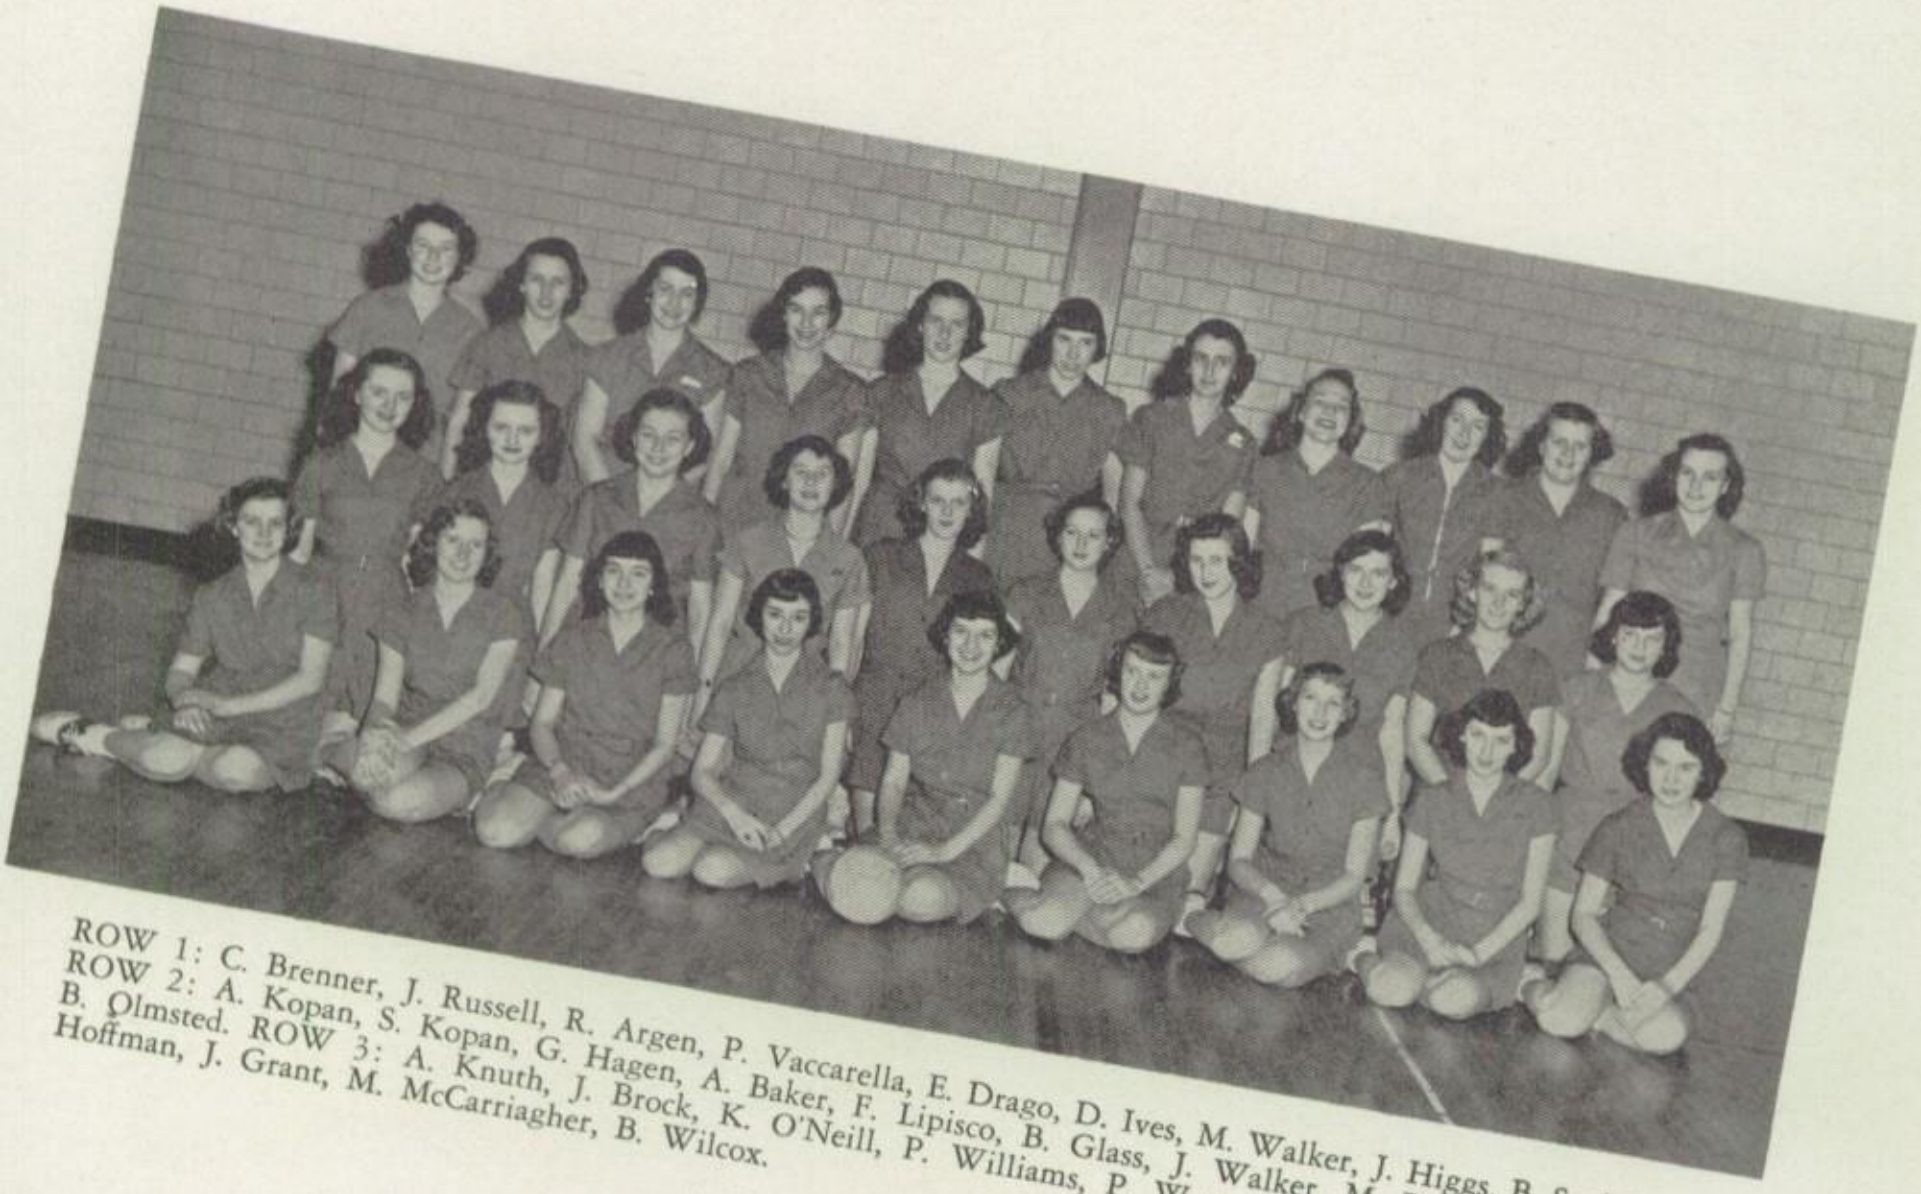
As SOON as December rolls around, the girls become restless with anticipation. It is the time of year for basketball, and even though there are many skinned knees and scratched arms, there is a tremendous turnout of girls for this popular sport. Keen competition is offered to all who play. An incentive for playing this popular game is the competition among other schools. At the Girls' Letter Club banquet, emblems are awarded to the winning team of each class.

ROW 1: C. Dell, N. Hoffman, J. Grant, F. Lipisco, P. Dow. ROW 2: J. Mason, M. Helfrich, B. Simpson, E. Stresing, J. Zittel, M. Giess. ROW 3: M. Hetzke, R. Argen, S. Forkin, B. Shaft, G. Hagen, A. Hagen.

Table Tennis Champs

J. Grant, V. Reustle, B. O'Bannon, S. Corey.

GREAT skill is needed this year to defend oneself against the "pros" of the ping pong table. Groans and shouts of despair and glee ring through the air as the tiny ball whizzes back and forth over the net. Battling for the championship are seniors Jeanine Grant and Virginia Reustle; and juniors Barbara O'Bannon and Sue Corey.



ROW 1: C. Brenner, J. Russell, R. Argen, P. Vaccarella, E. Drago, D. Ives, M. Walker, J. Higgs, B. Stadel. ROW 2: A. Kopan, S. Kopan, G. Hagen, A. Baker, F. Lipisco, B. Glass, J. Walker, M. Boos, S. Forkin, B. Olmsted. ROW 3: A. Knuth, J. Brock, K. O'Neill, P. Williams, P. Watt, P. Lincoln, L. Swalm, N. Hoffman, J. Grant, M. McCarriagher, B. Wilcox.

Volleyball

Badminton Champs

C. Yelle, S. Forrest, K. O'Neill, P. Watt.

AGAIN this year, badminton is one of the most favorite of the girls' sports. These girls championed over their opponents: seniors Karen O'Neill and Pat Watt; and juniors Cecilia Yelle and Sally Forrest.

Riding Champs

B. Stadel, J. Hornlein.

To FEEL the wind in your hair and rhythm of the horse's pace is a thrill experienced by only those who can raise their weary bones to the back of a slick, black horse. A horse show is held each spring to see who has the best ability in riding and handling horses. Needless to say, our horses were too shy for the picture!
